I. SUMMARY

1. This is a civil rights action by plaintiff A. J. Oliver ("Oliver") for discrimination at the building, structure, facility, complex, property, land, development, and/or surrounding business complex known as:

McDonald's
2145 East Plaza Boulevard
National City, CA 91950
(hereafter "the Restaurant")

2. Oliver seeks damages, injunctive and declaratory relief, attorney fees and costs, against Arizona Scarob, Inc. dba McDonald's and McDonald's Corp. (hereinafter collectively referred to as "McDonald's") pursuant to the Americans with Disabilities Act of 1990, (42 U.S.C. §§ 12101 et seq.), and related California statutes.

II. JURISDICTION

3. This Court has original jurisdiction under 28 U.S.C. §§ 1331 and 1333 for ADA claims.

4. Supplemental jurisdiction for claims brought under parallel California law—arising from the same nucleus of operative facts—is predicated on 28 U.S.C. § 1337.

5. Oliver's claims are authorized by 28 U.S.C. §§ 2201 and 2202.

III. VENUE

6. All actions complained of herein take place within the jurisdiction of the United States District Court, Southern District of California, and venue is invoked pursuant to 28 U.S.C. § 1391(b), (c).

IV. PARTIES

7. McDonald's owns, operates, and/or leases the Restaurant, and consists of a person (or persons), firm, and/or corporation.

1 8. Oliver suffered a stroke approximately 13 years ago. The stroke left
2 him paralyzed, speech impaired, and unable to stand or walk. Oliver requires the
3 use of a motorized wheelchair when traveling about in public. Consequently,
4 Oliver is "physically disabled," as defined by all applicable California and
5 United States laws, and a member of the public whose rights are protected by
6 these laws.

V. FACTS

8 9. The Restaurant is an establishment serving food and drink, open to
9 the public, which is intended for nonresidential use and whose operation affects
10 commerce.

11 10. Oliver visited the Restaurant and encountered barriers (both
12 physical and intangible) that interfered with—if not outright denied—his ability
13 to use and enjoy the goods, services, privileges, and accommodations offered at
14 the Restaurant. To the extent known by Oliver, the barriers at the Restaurant
15 included, but are not limited to, the following:

- Though there is signage indicating an accessible route from the public way to the entrance, the route is not accessible;
 - The tow away signage posted is not correct;
 - The signage posted in the van accessible parking stall is not correct;
 - The cross slope of the sidewalk exceeds 2.0%;
 - The disabled parking spaces have slopes and cross slopes that exceed 2.0%;
 - The ordering counter is too high and does not have a portion lowered to accommodate patrons in wheelchairs;
 - The pay point machines are mounted too high;
 - The signage on the accessible seating is too small;
 - There is no disabled seating outside;
 - There are no exit signs;

- 1 • There is no handle mounted below the latch of the accessible restroom
- 2 stall door;
- 3 • The stall door is not self closing;
- 4 • The toilet tissue dispenser protrudes into the clear maneuvering space
- 5 required to access the water closet;
- 6 • The trash receptacle protrudes into the clear maneuvering space required
- 7 to access the water closet;
- 8 • The pipes underneath the lavatory are improperly and/or incompletely
- 9 wrapped; and,
- 10 • There is insufficient strike side clearance when exiting the restroom due to
- 11 the hand dryer.

12 These barriers prevented Oliver from enjoying full and equal access.

13 11. Oliver was also deterred from visiting the Restaurant because he
14 knew that the Restaurant's goods, services, facilities, privileges, advantages, and
15 accommodations were unavailable to physically disabled patrons (such as
16 himself). He continues to be deterred from visiting the Restaurant because of the
17 future threats of injury created by these barriers.

18 12. Oliver also encountered barriers at the Restaurant, which violate
19 state and federal law, but were unrelated to his disability. Nothing within this
20 Complaint, however, should be construed as an allegation that Oliver is seeking
21 to remove barriers unrelated to his disability.

22 13. McDonald's knew that these elements and areas of the Restaurant
23 were inaccessible, violate state and federal law, and interfere with (or deny)
24 access to the physically disabled. Moreover, McDonald's has the financial
25 resources to remove these barriers from the Restaurant (without much difficulty
26 or expense), and make the Restaurant accessible to the physically disabled. To
27 date, however, McDonald's refuses to either remove those barriers or seek an
28 unreasonable hardship exemption to excuse non-compliance.

1 14. At all relevant times, McDonald's has possessed and enjoyed
2 sufficient control and authority to modify the Restaurant to remove impediments
3 to wheelchair access and to comply with the Americans with Disabilities Act
4 Accessibility Guidelines and Title 24 regulations. McDonald's has not removed
5 such impediments and has not modified the Restaurant to conform to
6 accessibility standards. McDonald's has intentionally maintained the Restaurant
7 in its current condition and has intentionally refrained from altering the
8 Restaurant so that it complies with the accessibility standards.

9 15. Oliver further alleges that the (continued) presence of barriers at the
10 Restaurant is so obvious as to establish McDonalds' discriminatory intent.¹ On
11 information and belief, Oliver avers that evidence of this discriminatory intent
12 includes McDonalds' refusal to adhere to relevant building standards; disregard
13 for the building plans and permits issued for the Restaurant; conscientious
14 decision to the architectural layout (as it currently exists) at the Restaurant;
15 decision not to remove barriers from the Restaurant; and allowance that the
16 Restaurant continues to exist in its non-compliant state. Oliver further alleges,
17 on information and belief, that McDonald's is not in the midst of a remodel, and
18 that the barriers present at the Restaurant are not isolated (or temporary)
19 interruptions in access due to maintenance or repairs.²

VI. FIRST CLAIM

Americans with Disabilities Act of 1990

Denial of “Full and Equal” Enjoyment and Use

23 16. Oliver incorporates the allegations contained in paragraphs 1
24 through 15 for this claim.

17. Title III of the ADA holds as a “general rule” that no individual
shall be discriminated against on the basis of disability in the full and equal

¹ E.g., *Gunther v. Lin*, 144 Cal.App.4th 223, fn. 6.

² Id.; 28 C.F.R. § 36.211(b)

Oliver v. Arizona Scarob, Inc., et al.

Plaintiff's Complaint

1 enjoyment (or use) of goods, services, facilities, privileges, and accommodations
2 offered by any person who owns, operates, or leases a place of public
3 accommodation. 42 U.S.C. § 12182(a).

4 18. McDonald's discriminated against Oliver by denying "full and equal
5 enjoyment" and use of the goods, services, facilities, privileges or
6 accommodations of the Restaurant during each visit and each incident of
7 deterrence.

8 Failure to Remove Architectural Barriers in an Existing Facility

9 19. The ADA specifically prohibits failing to remove architectural
10 barriers, which are structural in nature, in existing facilities where such removal
11 is readily achievable. 42 U.S.C. § 12182(b)(2)(A)(iv). The term "readily
12 achievable" is defined as "easily accomplishable and able to be carried out
13 without much difficulty or expense." Id. § 12181(9).

14 20. When an entity can demonstrate that removal of a barrier is not
15 readily achievable, a failure to make goods, services, facilities, or
16 accommodations available through alternative methods is also specifically
17 prohibited if these methods are readily achievable. Id. § 12182(b)(2)(A)(v).

18 21. Here, Oliver alleges that McDonald's can easily remove the
19 architectural barriers at the Restaurant without much difficulty or expense, and
20 that McDonald's violated the ADA by failing to remove those barriers, when it
21 was readily achievable to do so.

22 22. In the alternative, if it was not "readily achievable" for McDonald's
23 to remove the Restaurant's barriers, then McDonald's violated the ADA by
24 failing to make the required services available through alternative methods,
25 which are readily achievable.

Failure to Design and Construct an Accessible Facility

23. On information and belief, the Restaurant was designed or constructed (or both) after January 26, 1992—indpendently triggering access requirements under Title III of the ADA.

24. The ADA also prohibits designing and constructing facilities for first occupancy after January 26, 1993, that aren't readily accessible to, and usable by, individuals with disabilities when it was structurally practicable to do so. 42 U.S.C. § 12183(a)(1).

25. Here, McDonald's violated the ADA by designing or constructing (or both) the Restaurant in a manner that was not readily accessible to the physically disabled public—including Oliver—when it was structurally practical to do so.³

Failure to Make an Altered Facility Accessible

26. On information and belief, the Restaurant was modified after January 26, 1992, independently triggering access requirements under the ADA.

27. The ADA also requires that facilities altered in a manner that affects (or could affect) its usability must be made readily accessible to individuals with disabilities to the maximum extent feasible. 42 U.S.C. § 12183(a)(2). Altering an area that contains a facility's primary function also requires adding making the paths of travel, bathrooms, telephones, and drinking fountains serving that area accessible to the maximum extent feasible. Id.

28. Here, McDonald's altered the Restaurant in a manner that violated the ADA and was not readily accessible to the physically disabled public—including Oliver—to the maximum extent feasible.

³ Nothing within this Complaint should be construed as an allegation that plaintiff is bringing this action as a private attorney general under either state or federal statutes.

Failure to Modify Existing Policies and Procedures

29. The ADA also requires reasonable modifications in policies, practices, or procedures, when necessary to afford such goods, services, facilities, or accommodations to individuals with disabilities, unless the entity can demonstrate that making such modifications would fundamentally alter their nature. 42 U.S.C. § 12182(b)(2)(A)(ii).

30. Here, McDonald's violated the ADA by failing to make reasonable modifications in policies, practices, or procedures at the Restaurant, when these modifications were necessary to afford (and would not fundamentally alter the nature of) these goods, services, facilities, or accommodations.

31. Oliver seeks all relief available under the ADA (*i.e.*, injunctive relief, attorney fees, costs, legal expense) for these aforementioned violations. 42 U.S.C. § 12205.

32. Oliver also seeks a finding from this Court (*i.e.*, declaratory relief) that McDonald's violated the ADA in order to pursue damages under California's Unruh Civil Rights Act or Disabled Persons Act.

VII. SECOND CLAIM

Disabled Persons Act

33. Oliver incorporates the allegations contained in paragraphs 1 through 30 for this claim.

34. California Civil Code § 54 states, in part, that: Individuals with disabilities have the same right as the general public to the full and free use of the streets, sidewalks, walkways, public buildings and facilities, and other public places.

35. California Civil Code § 54.1 also states, in part, that: Individuals with disabilities shall be entitled to full and equal access to accommodations, facilities, telephone facilities, places of public accommodation, and other places to which the general public is invited.

1 36. Both sections specifically incorporate (by reference) an individual's
2 rights under the ADA. See Civil Code §§ 54(c) and 54.1(d).

3 37. Here, McDonald's discriminated against the physically disabled
4 public—including Oliver—by denying them full and equal access to the
5 Restaurant. McDonald's also violated Oliver's rights under the ADA, and,
6 therefore, infringed upon or violated (or both) Oliver's rights under the Disabled
7 Persons Act.

8 38. For each offense of the Disabled Persons Act, Oliver seeks actual
9 damages (both general and special damages), statutory minimum damages of one
10 thousand dollars (\$1,000), declaratory relief, and any other remedy available
11 under California Civil Code § 54.3.

12 39. He also seeks to enjoin McDonald's from violating the Disabled
13 Persons Act (and ADA) under California Civil Code § 55, and to recover
14 reasonable attorneys' fees and incurred under California Civil Code §§ 54.3 and
15 55.

VIII. THIRD CLAIM

Unruh Civil Rights Act

18 40. Oliver incorporates the allegations contained in paragraphs 1
19 through 30 for this claim.

41. California Civil Code § 51 states, in part, that: All persons within
the jurisdiction of this state are entitled to the full and equal accommodations,
advantages, facilities, privileges, or services in all business establishments of
every kind whatsoever.

24 42. California Civil Code § 51.5 also states, in part, that: No business
25 establishment of any kind whatsoever shall discriminate against any person in
26 this state because of the disability of the person.

27 43. California Civil Code § 51(f) specifically incorporates (by
28 reference) an individual's rights under the ADA into the Unruh Act.

1 44. McDonalds' aforementioned acts and omissions denied the
2 physically disabled public—including Oliver—full and equal accommodations,
3 advantages, facilities, privileges and services in a business establishment
4 (because of their physical disability).

5 45. These acts and omissions (including the ones that violate the ADA)
6 denied, aided or incited a denial, or discriminated against Oliver by violating the
7 Unruh Act.

8 46. Oliver was damaged by McDonalds' wrongful conduct, and seeks
9 statutory minimum damages of four thousand dollars (\$4,000) for each offense.

10 47. Oliver also seeks to enjoin McDonald's from violating the Unruh
11 Act (and ADA), and recover reasonable attorneys' fees and costs incurred under
12 California Civil Code § 52(a).

13 IX. FOURTH CLAIM

14 **Denial of Full and Equal Access to Public Facilities**

15 48. Oliver incorporates the allegations contained in paragraphs 1
16 through 13 for this claim.

17 49. Health and Safety Code § 19955(a) states, in part, that: California
18 public accommodations or facilities (built with private funds) shall adhere to the
19 provisions of Government Code § 4450.

20 50. Health and Safety Code § 19959 states, in part, that: Every existing
21 (non-exempt) public accommodation constructed prior to July 1, 1970, which is
22 altered or structurally repaired, is required to comply with this chapter.

23 51. Oliver alleges the Restaurant is a public accommodation
24 constructed, altered, or repaired in a manner that violates Part 5.5 of the Health
25 and Safety Code or Government Code § 4450 (or both), and that the Restaurant
26 was not exempt under Health and Safety Code § 19956.

27 52. McDonalds' non-compliance with these requirements at the
28 Restaurant aggrieved (or potentially aggrieved) Oliver and other persons with

Oliver v. Arizona Scarob, Inc., et al.
Plaintiff's Complaint

1 physical disabilities. Accordingly, he seeks injunctive relief and attorney fees
2 pursuant to Health and Safety Code § 19953.

3 X. PRAYER FOR RELIEF

4 WHEREFORE, Oliver prays judgment against McDonald's for:

- 5 1. Injunctive relief, preventive relief, or any other relief the Court deems
6 proper.
- 7 2. Declaratory relief that McDonald's violated the ADA for the purposes of
8 Unruh Act or Disabled Persons Act damages.
- 9 3. Statutory minimum damages under either sections 52(a) or 54.3(a) of the
10 California Civil Code (but not both) according to proof.
- 11 4. Attorneys' fees, litigation expenses, and costs of suit.⁴
- 12 5. Interest at the legal rate from the date of the filing of this action.

INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44**Authority For Civil Cover Sheet**

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

I. (a) Plaintiffs-Defendants. Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.

(b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)

(c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".

II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.C.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here.

United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box.

Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; federal question actions take precedence over diversity cases.)

III. Residence (citizenship) of Principal Parties. This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.

IV. Nature of Suit. Place an "X" in the appropriate box. If the nature of suit cannot be determined, be sure the cause of action, in Section VI below, is sufficient to enable the deputy clerk or the statistical clerks in the Administrative Office to determine the nature of suit. If the cause fits more than one nature of suit, select the most definitive.

V. Origin. Place an "X" in one of the seven boxes.

Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. When the petition for removal is granted, check this box.

Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date.

Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407. When this box is checked, do not check (5) above.

Appeal to District Judge from Magistrate Judgment. (7) Check this box for an appeal from a magistrate judge's decision.

VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553
Brief Description: Unauthorized reception of cable service

VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

Demand. In this space enter the dollar amount (in thousands of dollars) being demanded or indicate other demand such as a preliminary injunction.

Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.

VIII. Related Cases. This section of the JS 44 is used to reference related pending cases if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.
